Points for year end awards are tabulated after a single or family membership application and dues are received. Points will be tabulated from the date paid.

To qualify for Open All Around year end, you must have entered 2/3rds of the halter classes and earn points in two other categories. 10 points are required for a halter class award and 15 points are required in performance classes to qualify for a year end class award. To be eligible for an award, the owner of the horse and the exhibitor must be members. You must show at both our April and May show to be eligible for a year end award.
